

# PRODUCT DATA SHEET

## ❖ HYDRAULIC OIL 100/150/220/320/460 :

### KEY BENEFITS :

- Long service life due to excellent resistance to oxidation.
- Protects against rust and corrosion.
- Provides good wear protection.
- Provides excellent foam control and demulsibility.
- Provides a long and trouble free operation.

### Performance Standards :

DIN 51524 PART 2 / DENISON HF-0 / US STEEL 127
